LENS TUBES FOR OLDER SILHOUETTES STILL AVAILABLE		P.O.A.

Code	Description	List Price
	DMX Cable and Accessories	
013020*	Remote DMX Input plate XLR5 Male single gang	£25.00
010330*	Remote DMX Output plate XLR5 Female single gang	£30.00
138011	Single Gang back box	£3.00
136131	Twin screened twisted pair data cable (standard DMX use) per M	£1.50
	Regal/Delta FMX to DMX Conversion Kits	
	<i>These kits allow the old style Regal or Delta wall mounted dimmer racks that had the Furse FMX multiplexing control signal to be converted to accept any new industry standard DMX control desk</i>	
	<i>These kits must be fitted by a suitably qualified person. CCT Lighting will not accept any responsibility for damage caused by incorrect fitting</i>	
150310	Regal FMX to DMX Conversion Kit 12-way Rack	£375.00
150320	Regal FMX to DMX Conversion Kit 18-way Rack	£420.00
150330	Regal FMX to DMX Conversion Kit 24-way Rack	£465.00
	Also required, new 5-pin dmx input plate for every control desk position	
010320*	Remote DMX Input plate XLR5 Male single gang	£25.00
	Lighting Bars and Grids	
	<i>Internally wired aluminium tube (48.3mm O.D) with rigidly fixed ABS impact resistant moulded case socket outlets spaced evenly along the length of the bar and terminating in a steel terminal box or socapex connector at one end. These are built to the customers specifications or to lengths and socket outlets to suit site conditions. Various types of socket outlets are offered with different bar finishes or curves are able to be achieved if required</i>	
	<i>We also offer a refurbishing service for existing older unshuttered lighting bars and grids. Please contact our office for further details</i>	P.O.A.
	<i>Ring main style wired bars are generally used for our Freeway radio distributive dimming systems or Helios discharge luminaires.</i>	
	<i>Lighting Grids or Ladders are also available in any shape or size along with internally wired trussing.</i>	P.O.A.
	Patch Panels and Boxes	
	<i>These consist of wall mounting steel boxes with cord trays fitted with leads to allow for selective interconnection between lighting circuits and dimmers. Various types of connectors available</i>	
	<i>All plug tops can be engraved with circuit numbers</i>	
	<i>Socket outlet boxes with socapex, terminal boxes, dip or flyrail boxes available. Please contact our office with your requirement for pricing</i>	P.O.A.

	<i>MAY 2010.</i>	
	Curtain Track	
	<i>Full range of curtain track systems available for stage, sports halls, assembly halls and studios.</i>	
	<i>a) Straight overlapped, sash cord or winch operated</i>	
	<i>b) Studio perimeter track</i>	
	<i>c) curved track</i>	
	<i>d) Manual or motorised operation</i>	<i>P.O.A.</i>
	<i>Details and pricing on request. We are able to service and maintain all types and makes of curtain track.</i>	
	Curtains	
	<i>Professionally made fire retardant curtains manufactured in a variety of materials and colours. These are normally quoted to specification. Please contact us for further information.</i>	<i>P.O.A.</i>
	Suspension and Fixings	
	<i>A full range of suspension equipment is available for direct purchase or alternatively as part of an installation or maintenance service. We can install, maintain or inspect raise and lower systems or fixed installations.</i>	<i>P.O.A.</i>
		<i>P.O.A.</i>
	<i>Tested made up steel wire rope assemblies to order. Please contact us with your specification for pricing,</i>	
	<i>The full range of Doughty Engineering products is available. For a full catalogue please call us on 0115 9858919. We also source and supply other engineering products from various manufacturers. Please call to discuss your individual requirements.</i>	
	Portable Staging	
	<i>Doughty Easydeck staging is a modular performance system that can be used for constructing various shapes and heights of performance area or tiered audience seating. The modules comprise of two components: a black 1m or 750mm square steel frame in 3 heights for the 750mm square 250mm, 500mm and 750mm and 4 heights for the 1m square 250mm, 500mm, 750mm and 1m and a phenol coated birch ply reversible top. Also available: step units, ramps, bridges, hand rail sections, curtain valance and storage dolly</i>
